17.4 I was advised that there is no dividend to concurrent creditors

17.5

17.5.1 I submit that the above calculation provides a benefit to the preferent creditor of my estate should the Above Honourable Court grant the Application.

17.5.2 I am advised that should my property go on auction sale with the Sheriff then it will take approximately two years to finalize as the sale is governed by a court approved minimum sale price which if not reached, an application be made again.

17.5.3 I am advised that insolvency sales are well advertized which Sheriff sales are not.

17.5.4 The further benefit is for myself that I can close the financial less that I am in as the creditors will not go away.

18. By virtue of the above allegations I perform reverently that my liabilities exceed my assets and if the above Honourable Court be satisfied to grant a sequestration order.

19. I have not previously been declared insolvent and as far as I am aware there are no applications for sequestration pending against me in any Court in the Republic of South Africa.
